Dear Member,

Membership Renewal 2020-2021

Membership Subscriptions for the Period 1st April 2020 to 31st March 2021 are due on 30th May 2020.

Early Payment Deadline – 28th May 2020

The subscription rates, are set out below and due to the closure period this year's rates are calculated on a 10 month pro rata basis.

We are unable to offer country membership at present and we will circulate these members when playing regulations permit.

You are now invited to renew your membership for the coming year:

We would like to remind members that the facility to pay membership over a 6 month period is being continued for a further year. In the past some members have paid Membership Subscriptions due to the club in a variety of informal arrangements and we would advise that going forward we are unable to offer these arrangements.

Given that we will operate for April and May at a deficit in each month we now need to clarify what our income will be for this year in order to adjust our overhead base if required. To facilitate this process we are asking members to show support for their club by early payment of subscriptions.

We are very grateful to members who have supported the club by paying their Membership Subscription without pro rata or early payment discount.
