

ST ANNE'S WATERFORD TENNIS CLUB SAFEGUARDING POLICY

This policy applies to all those involved in St Anne's Waterford Tennis Club, including, but not limited to, coaches, administrators, officials, volunteer drivers, members, parents and young people.

SAFEGUARDING POLICY STATEMENT

St Anne's Waterford Tennis Club is fully committed to safeguarding the well-being of its members. Every individual in the organisation should at all time show respect and understanding for their rights, safety and welfare, and conduct themselves in a way that reflects the principles of St Anne's Waterford Tennis Club and the guidelines contained in this policy.

(Please refer to our website for our Safeguarding Statement)

Safeguarding or Child Protection

The term child protection has been expanded to safeguarding as it reflects the wider responsibility for health and safety and prevention as well as just protection from abuse. The word safeguarding has been used with increasing frequency over the last few years in a wide range of settings and situations, going well beyond the world of children and child protection. It may be defined as "Doing everything possible to minimise the risk of harm to children and young people."

Safeguarding is about being proactive and putting measures in place in advance of any contact with children to ensure that children are going to be kept safe and this is what St Anne's Waterford Tennis Club wish to have in place.

This could include:

- Ensuring staff / volunteers are properly checked when they are recruited;
- Guidelines for people who come into contact with children as part of their role to ensure they know what they need to do to keep children safe; and
- Guidelines for planning an event or activity with children and putting measures in place to minimise the risk of safeguarding issues occurring.

Code of Conduct

St Anne's Waterford Tennis Club supports the view that all children's sport should be conducted in an atmosphere of fair play. In this context the NGB undertakes to adopt the definition of fair play as set out in the European Sports Charter and Code of Ethics, Council of Europe (1993).

“Fair play is much more than playing within the rules. It incorporates the concepts of friendship, respect for others and always playing within the right spirit. Fair play is defined as a way of thinking, not just a way of behaving. It incorporates issues concerned with the elimination of cheating, gamesmanship, doping, violence (both physical and verbal), exploitation, unequal opportunities, excessive commercialism and corruption.”

In order to promote the best practice in children’s sport, St Anne’s Waterford Tennis Club has adopted and implements the guidelines as set out in Safeguarding Guidance for Children & Young People in Sport and as required by law, has conducted a risk assessment of their facility and children’s programmes and the potential for harm to come to young participants whilst they are in their care.

As a follow up to the risk assessment exercise, the Board of Directors has written a Safeguarding Statement signed off by our chairperson and in conjunction with our Children’s Officers and Designated Liaison Person, put in place the policies and procedures required to bring all risks down to low levels.

St Anne’s Waterford Tennis Club Safeguarding Statement is posted prominently on the Organisation’s website and in their premises. We require all adults associated with children’s activities to have signed our relevant code of conduct.

St Anne’s Waterford Tennis Club is operated under its Memorandum of Articles. This document has been approved and adopted by the members of the Association at various Annual and Extraordinary General Meetings of the members of the Association.

Any changes to the Memorandum of Articles, has to be approved by the members of St Anne’s Waterford Tennis Club at a General Meeting of the members.

The Board of Directors of St Anne’s Waterford Tennis Club is elected by the members of the Company (The Clubs) at the Annual General Meeting in accordance with the procedures set out in the Memorandum of Articles.

St Anne's Waterford TC encourages regular turnover of committee membership while ensuring continuity and experience.

Effective procedures for responding to and recording accidents/ incidents have been put in place.

St Anne's Waterford TC monitors both the use of the facilities and participation in their organised activities to ensure that any unusual activity (high rate of drop-out, transfers, etc.) is identified, checked out and reported by the Designated Liaison Person to the Board of Directors.

St Anne's Waterford TC is committed to ensuring that adequate adult supervision of all activities involving children is provided.

Training

St Anne's Waterford TC is committed to ensuring that Sports Leaders are competent to provide safe and rewarding experiences for those in their care and that Sport Leaders are provided with the appropriate training for their activity. They are required to attend safeguarding workshops as part of their coach education and licensing and ensure their knowledge is updated.

EQUALITY STATEMENT

All children should be valued and treated in an equitable and fair manner regardless of ability, age, sex, religion, social and ethnic background or political persuasion. Children, irrespective of ability or disability should be involved in sports activities in an integrated and inclusive way, whenever possible, thus allowing them to participate to their full potential alongside other children

St Anne's Waterford TC recognises the additional vulnerability of some children and the extra difficulties they may face when seeking help. That is –

- The increased likelihood of social isolation
- Having fewer contacts to disclose to than non-disabled children
- A dependency on others for practical assistance in daily living, including intimate care
- An impaired capacity to resist, avoid or understand abuse
- Their speech and language communication needs may make it difficult to tell others what is happening
- Their particular vulnerability to bullying
- Being viewed as a “safe target” for abusers

- Their relative powerlessness physically, psychologically and socially and the opportunities this presents for grooming by potential abusers
- A reluctance to challenge carers who may often be viewed as valiantly coping with the burden of a disabled child and therefore not considered as potential risks
- The denial of the possibility of (particularly sexual) abuse of disabled children
- Disabled children being less likely to be heard or listened to.

To address this vulnerability coaches are encouraged to seek guidance on working with children with a disability from external agencies, parents / guardians and the children themselves.

CONFIDENTIALITY STATEMENT

St Anne's Waterford TC recognises that the legal principle that the welfare of the child is paramount means that consideration of confidentiality should not be allowed to override the right of children to be protected from harm.

Everyone in our organisation, including children, must be aware that they can never promise to keep secrets. Information, however, of a confidential nature will only be communicated on a 'need to know' basis.

St Anne's Waterford TC is committed to continual monitoring and development of this Safeguarding Policy in the light of changing circumstances.

All Coaches, Volunteers and Sports Leaders will be required to read and sign the appropriate Code of Conduct contained in this policy.
